

Accommodation and Food

For accommodation there are some civil defence lodgings available, which are for free. We can also reserve rooms for you, if you prefer staying in a hotel. We regret that we do not have funding for stays in hotels and would like to inform you that – should you wish to stay in a hotel – you will have to cover the costs yourselves. It will be around 50 to 100 CHF, depending on the hotel and the size of the room.
